Letchworth

Peterborough host Letchworth today at Bushfields in what is our only home game in the Finals. We are hoping for a bumper crowd as the Under 15's National League is on all weekend before.

Letchworth have had a great season finishing 5th in their first season back in the top flight and like ourselves many of their players are under 20's and below. They have had two impressive results in their last two outings securing the point they needed Versus Soham to secure a top six finish with a 4-4 draw and then drawing again with the Cambridgeshire outfit 2-2 in the finals to pick up a point.

PRHC have played two games up to now both against the top two Soham were comfortable winners in a 7-1 loss for our team in what was an under par second half performance. But they then played really well against the 8 times champions elect Kings Lynn losing 4-1 last week in Kings Lynn.

Last time out saw 12 goals scored between these two clubs in what was an entertaining game.

The replay for this game will be available on our YouTube channel @PeterboroughRHC66

FUNDRAISING FOR OUR HEROES AND WOUNDED VETERANS

In aid of Help for Heroes, from 24th - 29th June 2024, myself and others will be taking on an iconic four-day cycle challenge to mark the 80th Anniversary of the D-Day landings. Starting at Sainte-Mere-Eglise, we'll cycle through Normandy, visiting the D-Day beaches, including Omaha, Gold and Juno. We'll also visit other key historical areas including Bayeux, Lisieux and Bernay to pay homage to our brave men and women before ending in Paris. Your sponsorship would be greatly appreciated.

Both Teams started this game with full intensity and commitment. Play was fairly even with both sides testing each other out searching for the first breakthrough. After 10 minutes the first goal came as a result of a "soft penalty" being awarded. Two players, Josh Aaltonen and Jamie Griffin were going in different directions on the rink as the ball broke free from a tackle when Jamie fell over Josh's leg. A penalty was given and Josh Taylor stepped forward to take the hit. His first shot was saved by Tyler Salmon in the Peterborough goal but the ball rebounded to Josh who swept the ball home for the opener.

Kings Lynn 1 Peterborough 0

A fast break forward by Jack Tucker and Owen Norris resulted in Owen releasing a timely pass to Jack at the back post and he showed a deft touch to place the ball past the diving goalkeeper.

Kings Lynn 2 Peterborough 0

Not to be outdone, Peterborough continued to play fast moving hockey and they were eventually rewarded when Josh Aaltonen moved inside two defenders to hit an accurate slapshot that seemed to squirm underneath the Kings Lynn goalkeeper to cross the goal line.

Kings Lynn 2 Peterborough 1

Still the play continued at "break neck speed" and from another Peterborough attack Jamie Griffin collected the loose ball in front of his goal and advanced swiftly up the rink before hitting an accurate slapshot into the top right corner of the Peterborough net.

Kings Lynn 3 Peterborough 1

Half Time:- Kings Lynn 3 Peterborough 1

The thrust and speed of play continued in the second half just as it had finished in the first period. Kings Lynn conceded their tenth team foul and a direct was awarded. Michael Carter took the responsibility to make this a 3-2 game but unfortunately for him, Tommy Allander, in the Kings Lynn goal was able to claw his flick shot away to safety. Five minutes later and Kings Lynn effectively sealed their win. A good interchange of passes between Ryan Barnes and Owen Norris around the Peterborough goal allowed Owen the space to cleverly lift his pass into the air to find the unmarked Ryan Barnes at the back post and he touched the ball home for the final goal of the match.

Kings Lynn 4 Peterborough 1

For the remaining minutes of the game Kings Lynn looked comfortable even though Peterborough continued to push them hard for goalscoring opportunities.

Final Score:- Kings Lynn 4 Peterborough 1

Summary of goal scorers:-

Arthur Corr's (Peterborough Coach) comments post match:- "I was pleased with the reaction the players gave me following last week's poor second half performance against Soham. We gave a good account of ourselves in the match today and this will give us a good platform to build from for our game next Sunday."

This was an exciting competitive match with both teams fully committed to attack without any signs of the boring defensive play that you sometimes see from other teams'. The territorial advantage was shared equally between both teams' with no team dominating the ball for any length of time. The difference between both teams' was the fact that Kings Lynn took their chances at a much better rate than Peterborough. To illustrate this....if you look at the number of shots that both Teams had the results show the following:-

Kings Lynn 39 shots (4 goals)

Peterborough 46 shots (1 goal)

There are so many things to admire about this Kings Lynn squad. They are all good players....They have so much roller hockey experience behind them....they are aggressive and fit....they know when to take a team foul for the team when their opponents are getting close to their goal or are striving to find their rhythm (12 team fouls against Kings Lynn versus 2 team fouls against Peterborough)....always fully focussed on winning....so very clever when their play takes them behind their opponents goal etc.

If I have one criticism of them it is that spend so much time challenging referees after a decision has been made that they don't agree with. They did not get one decision overturned due to their continual protests. Still....what do I know?...maybe it is a deliberate part of their play as it puts pressure onto referees who just might think twice before whistling against that next Kings Lynn infringement?

It was good to see the return to Premier League action of two players. Notably Tommy Allander (returning after being away from hockey for several months) for Kings Lynn and Sergio Hutson (who had stepped away from roller hockey for the last two years) for Peterborough.
