# A Warm Welcome to Manchester

Manchester comes into today's game of the back of a Victory against Plymouth in their last game. Goals from Ricardo Concepcion 2, Isaac Derwent-Black 2, and Damaras Gordon 2 gave our visitors today a 6-5 victory against an ever-improving Plymouth side.

Last season's game between these two teams was a hard-fought one up at Ardwick Sports Centre with Peterborough eventually winning the game by the score of 8-6.

Both teams will be looking at adding more points to their totals this season Peterborough trying to keep a top-six finish and putting pressure on the leaders with Manchester trying to get into the top six.

Ex-player Milo Carter should be part of the Manchester's squad along with Reuben Owen-Harris currently on loan and playing for our under 17s and 20s White team. Lily Messengers' dad, Dan was named Manchester's coach this season.

The replay for this game will be available on our YouTube channel @PeterboroughRHC66

Peterborough took control of the ball from the start and Grimsby had a clear game plan to thwart the Peterborough attacks. That worked for the first 8 minutes until Peterborough scored their first goal through Michael Carter. Peterborough continued to dominate the play and further goals followed from Luca Oakley (one on one with the keeper, flicked into the top corner), Michael Carter again (with a flick into the top corner) and Josh Aaltonen (with a flick shot following a neat pass from Tom Hillam).

#### **Half Time:- Grimsby 0 Peterborough 4**

Peterborough started the second half strongly again by dominating possession of the ball. In 3 devastating minutes Harry Hillam slammed in 3 goals (2 were slapshots and the other a flick shot after intercepting a loose Grimsby pass on the half way line).

#### **Grimsby 0 Peterborough 7**

It was then Grimsby's turn to score a couple of goals with Charlie Greenwood turning in a fine pass at the back post and Lewis Tasker hitting a solid slapshot from 10 yards out.

#### **Grimsby 2 Peterborough 7**

Peterborough immediately responded with a goal from Michael Carter as he added the final touch in amongst a melee of Grimsby defenders.

#### **Grimsby 2 Peterborough 8**

It was Grimsby's turn to respond and Stephen Hancocks was allowed to advance into the visitor's half and hit an accurate slapshot past the Peterborough goalie.

#### **Grimsby 3 Peterborough 8**

Immediately from the restart Peterborough took back the goalscoring in initiative through Luca Oakley's hat trick of goals. For all three of his goals he cleverly left Grimsby defenders in his wake and confidently provided clinical finishing at the end of each foray. Luca's hat trick was interspersed by another goal from Charlie Greenwood who flicked his shot into the roof of the Peterborough net.

#### **Grimsby 4 Peterborough 11**

To finish off Peterborough's forward play in this second half the last goal was scored by young Thomas Semilore, who was up in attack and he quickly latched onto a loose ball to finish with a neat flick shot over the Grimsby goalie.

**Arthur Corr's (Peterborough Coach) Man of the Match:- Luca Oakley - 4 Goals and 3 Assists.**

Two sublime spells of goalscoring prowess from two Peterborough players in the second half effectively killed off any hopes Grimsby had in matching their visitors' goalscoring exploits. The first from Harry Hillam who hit a hat trick of goals in 4 minutes and the second from Luca Oakley who hit his hat trick of goals in 7 minutes. There was a vast difference between those two players in terms of their goal scoring style....Harry hitting fierce slapshots and Luca showing speed and balance with his flicked shots at the target.

Grimsby doggedly stuck to their defensive game plan to thwart the Peterborough attacking play and for the first 8 minutes of the match it worked before they succumbed to the first goal from their visitors. Pleasingly from the Peterborough point of view, the team showed maturity in the first half by displaying such patience in keeping possession of the ball and continuing to probe the Grimsby defence searching for their goalscoring opportunities.

Grimsby continually worked hard throughout the match and were enthusiastically pushed and encouraged verbally by their captain, Charlie Greenwood.

Congratulations to Thomas Semilore who scored his first Premier League goal in only his second appearance with the senior team.

The match was confidently officiated by both referees who kept the game flowing and well under control.
